Parent Education

Unlocking Your Child's Learning Potential

Tuesday, October 4th at 12:00pm

Lower School Art Room – Stafford Arts Center

Please join us on for the first Parent Education series of the school year.

Lower School Learning Specialist, Katie Leezer, will be speaking to parents about the many different and unique ways in which a child learns, best practices for these specific learning styles and how she collaborates with teachers to implement strategies for effective learning. Katie will also share information and answer any questions about how she supports and assists students to ensure successful learning at Canterbury.

Please bring your lunch and join her in the Lower School Art Room located in Stafford Arts Center on Monday, October 4th, 2011 from 12:00-12:45pm.

K-5th Siblings for 2012-13

Please remember that the \$75 application fee will be waived for all sibling applications received by Monday, October 3rd.

Pick Up Sticks

The 5th grade will be having a primitive firing (firing Cherokee-style pottery in a bonfire) on **Tuesday, Oct. 4th** (rain date, Tuesday, Oct. 25th).

We will be burning wood all day so **we need lots of wood!** The most useful shapes are branches from small kindling type to 5" in diameter. Regular firewood is helpful too. Please leave wood that you have collected on the blue tarp next to carpool behind the new Middle School Annex (former Fine Arts Cottage). **NO PAINTED, TREATED or GREEN WOOD, PLEASE!!**

Pre-Kindergarten

We are starting to spread the word about our new pre-k program to families outside of the Canterbury community. If you have not completed a pre-registration form and would like for your child to be on the list, please do so as soon as possible. Questions? Please contact Kathy Creekmuir or Libba LaFave.
